# About Us

**Malta Chocolate Factory** is the only chocolate manufacturer in Malta with a **viewing window** so you can watch our chocolatiers working in the artisanal process of tempering, moulding and shaping chocolates.

Since opening our doors in 2017, we now produce over 10 tonnes of chocolate annually, creating over 100 handmade chocolate products along with branded and bespoke items for our clients.

Let us take you on a ride into the world of Chocolate!

# Branding

It's easier than ever in 2022 to create your own custom made branded boxes, wrappers, sprinkles and printed chocolate for selected items. Look for the marker to see what products can be customised.
