Birthday Parties @ MCF

Why not have a fun children's birthday party at Malta Chocolate Factory?

The children have the opportunity to make and decorate their own chocolate treats. The party is fun AND educational and something very different for them to enjoy.

Each child goes home with a goodie bag filled with chocolate and gifts. Food and drinks are included in our prices too. Our birthday parties are best suited to children between the age of 5 and 12 years old.

To contact us:

Parties for 5 to 9 year olds

Our 2 hour Birthday Parties are centred around Chocolate. After all, we are Malta Chocolate Factory!

We have a fun AND educational chocolate making activity which sees the kids making their own chocolate creation that they get to take home. The children get to learn about chocolate and piping techniques whilst letting their creative imaginations run wild! We supply aprons and hair nets so that we don't send them home wearing too much chocolate!

We also supply party bags for the children to take home their chocolate creations.

What's a party without food? We supply hot food like pizza, chicken nuggets and other fun seasonal options. We can also cater healthy options like fresh seasonal fruit kebabs. We can cater for most food allergies too (prior notice is needed).

We also give the children a selection of drinks.

The Price

All of the above is included in our birthday packages.

Our price for a fun-filled party including everything above is a per child price of €18.

The maximum number of children is 35.

Minimum number is 10 children for a party but if you have less than 10 call and we can help build a package for you.

Parties For 10 year olds and older

We realise that older children need a slightly different party from our younger clients so we have developed a slightly more "grown up" party option for our pre teens.

Of course the party still revolves around chocolate but we will give them a much more challenging activity to take part in. Each child will be given a chocolate sphere and disc and lots of decorations and edible paint. They will then create a character of their choice be that a monster, princess or cat - or even a monster princess cat if that's what they want to make!

This party package is more flexible so we offer it as a 1 hour party without food or a 2 hour party with food and drinks included.

We can also offer this option as a family party so adults can join in the chocolate making fun as well!

The Price

Our price for a 1 hour party (without food) is €15 per child.
Our price for a 2 hour party (with food) is €20 per child

Minimum number is 6 children for a party but if you have less than 6 call and we can help build a package for you.

The Parents

Our café downstairs from The Experience Centre is a perfect place for parents to sit and chat during the birthday party. We have pastries & cakes, coffees & teas, hot chocolates, cold drinks & alcoholic drinks available on our extensive chocolate focussed menu.

We have two options available if you want to provide a food and drink service to parents.

Open a Tab

We can open a table account for you which you can pay at the end of the birthday party. You get to choose what you want added to the options of items available on your tab. We can discuss this prior to the birthday party.

You just make parents aware of what is included and they can come up to our counter to order. We can add those items you have approved to your table account. If parents want something outside of that (example spirits or cocktails) we can direct charge for these with the parent at the time of ordering.

Parent High Tea

Just for our birthday parties, we have an extra special pre-set menu at a per person price. This menu can include savoury foods, tasty servings of cakes & sweets, a selection of truffles & pralines and coffee & tea.

Our prices start from €4.00 per person, with different options available with varying price levels.

Pre-ordering of this option is required.

Our junior chocolatier class is for children aged 5 to 12. They get to make their own take home creations while learning the history of chocolate & how it is made.

Our adult chocolate making session has you making coloured chocolate moulded shapes and your own truffles, learning about ganache and the other ingredients that go into making chocolates.

If you're 18 and over then why not join our cocktail and chocolate masterclass. Make and taste cocktails and pair them with awesome truffles as we explain some of the secrets of both.

If you're 18 and over you could learn about how wine is made and how to distinguish different tasting notes. Paired with our awesome truffles to show how to pick the right wine for the right flavour.
